

Special Message From Annie Armen

Thank You Dr. Edward Group III and Global Healing Center

Throughout the journey of Annie Armen LIVE Talk Radio since November 2001, the one true benevolent sponsor who sowed and continues to sow unconditionally into the growth of The Annie Armen Show without any expectations is guest Legend, my very dear friend -- **Dr. Edward Group III**, through Global Healing Center.

Thank you Dr. G for being true, for being real, for never being about the money, for never being about what you can get in return, and for being a man of excellence in the eyes of our Father in Heaven, a genuine human being, a friend who cares, an encourager who supports in any way he can without practicing what I like to call "diplomatic selflessness". Dr. G, you are what I like to call a DIVINE Sponsor for the Annie Armen Show and I will make sure that you, Global Healing Center is recognized as such, with the utmost respect.

I want everyone who visits OUR site to know that you, Dr. G have never once asked me to promote any of your material, NOT ONCE! You have invested over \$14K into God since July of 2005, expected from God, and HE has placed in my Spirit to give back 100 fold, where I get to have the privilege and honor to share your relentless work, research, and health solutions with the world at any and every given moment! I am a huge testimony to you and to your phenomenal work! You ARE indeed a true Legend in Excellence!

My Testimony:

No doctor, no over the counter cough drop, nothing, and I intentionally repeat, NOTHING helped my coughs that lasted for over six months, EXCEPT for Dr. G's one amazing product called Organic Oregano Oil Blend. Once he heard me cough during a commercial break behind the scenes... and it was a nasty cough, one that would not stop, one that you're gasping for air to breathe and calling out mercy because of the pain... Dr. G didn't wait for me to ask for his help or advice after that miracle of an interview. As the walking Legend that he is, he took immediate action and shipped this winning product my way via next day, rush delivery, and has supplied me with it since. Today, Dad in Heaven uses me as His Messenger with my voice as His powered instrument to reach out to you, our beautiful masses across the globe every week, delivering truths in excellence, straight from our hearts into that of yours with health solutions **THAT WORK!**

With that said, Dr. Group's Organic Oregano Oil Blend is a MUST HAVE, no ifs ands or buts about it! [CLICK HERE](#) and purchase a supply not only for you, but for your friends and loved ones. ***You will be blessed beyond measure!***

For those of you who have Divine Sponsors like Dr. G contributing seeds into your work for continued growth and success-- go beyond any contractual terms because they are genuinely there to support your work and best serve our humanity!

My message to you -- PROMOTE THEM FOR LIFE!

*"The mustard seed is the smallest of all
seeds, yet when it grows, it is the largest
of garden plants and becomes a tree.*

*If you have faith as small as a mustard
seed, nothing will be impossible for you."
