## **Special Message From Annie Armen**

### **I Dedicate Legends in Excellence™ to DAD in Heaven**

"I dedicate Legends in Excellence™ - The Series to my number one true Legend, **DAD – Holy Father in Heaven – GOD, His Son, Jesus Christ, and His Helper, The Holy Spirit.** Dad, this is my First Fruit Seed sown into YOU. Legends in Excellence™ has been created and produced on solid ground, and YOU are "THE" foundation, MY ROCK, on which Legends In Excellence™ stands!

Thank YOU Dad for always being with me every step of the way! I never say I have best friends in life because YOU are, always have been, and always will be my best friend in life! I am alive today to not only witness Your Miracle, but to be Your Walking testimony! I love you Dad with all my heart and soul!

Thank You Dad for my beautiful Armen family who loyally sowed and continues to faithfully sow their seeds of unconditional love, patience, and encouraging support, as they lift me up in prayers every day, nourishing me from a distance in over six months and throughout the holidays so I can complete part one of this project in excellence. Mom, dad, grandma, brothers... I write this in joyous tears, in victory! I look forward to spending quality time with all of you, and so miss your hugs, MISS YOU! I love you all so much. Thank you for bringing me to this world. Dad has blessed me with the one true wealth in life, and that is the irreplaceable YOU. I am blessed to be alive, and I dedicate my birthdays to the gift of you in my life.

Thank you Dad for my treasured friends and colleagues at VoiceAmerica Radio Network. Because of Eddie Keyes back in 2004, I had my first shot in radio after broadcasting on television since 2001, and because of Jeff Spenard – President of VoiceAmerica/WorldTalkRadio Networks, The Annie Armen Show continues to thrive on turbo charge as a syndicated, popular program reaching out to masses all over the world, while I continue to excel in my calling from up above, and live my life with success on purpose, doing what I do best!

Thank You Dad for granting me the privilege to learn from, grow with, interact with, brain storm with, walk with, and finally be ready at Your appointed time to interview YOUR Legends in Excellence™ -- In Zig Ziglar's words – 'one God motivated interview at a time'. I am so grateful for all that I have learned from each of my guests, and highly value our walking Legends for contributing their time and for sowing their pearls of wisdom with heart and love radiating in each interview for the past decade!.

Thank You Dad for all my dear friends throughout the years since I can remember, for all loyal listeners and supporters -- you are all Dad's Angels, and I love you.

Because of YOU Father, the impossible became possible! Through my close friends and proud publishers ER Haas and Kent Madson at Think TQ, Inc., YOU made my life's work tangible! Thank you Father for Your Grace shining through ER and Kent as they stood by me with an iron will, saw the unseen through Your eyes, and encouraged me every step of the way as You were leading me to produce the impossible, in ER's words, 'a miracle at hand'. Thank You Dad for placing this project in their Spirit, and for their immediate action steps to follow through and guide me in raising the bar on the intentional pursuit of excellence!

## Special Message From Annie Armen **I Dedicate Legends in Excellence™ to DAD in Heaven**

I certainly would not be where I am today without Your Guidance Dad, without my family, my friends, loved ones, and without those I have yet to meet and looking forward to it! Dad, I now get to share Your Seeds of Greatness with people all over the world through Legends In Excellence™ - The Series, expanding upon the Annie Armen Show platform. My Purpose Dad in seeing this project to the end is twofold and very simple: First, I am praying to hear these words from You -- "daughter, I'm proud of you, you've done as I have asked"! Second, I pray that this powerful audio compilation with SOUL will serve as a foundational root for generations to come -- providing a mind-blowing treasure map to the human mind, heart, body and soul, to help ignite our inner passion on purpose, to inspire us to dream bigger, and to guide us toward achieving a life of global excellence in action!

**THERE IS NO SECRET, ONLY THE ANSWER, AND YOU FATHER, ARE THE ANSWER!**  
YOU have always been my Answer since before I was born, YOU are my Answer now, YOU are my Answer for all my tomorrow-s!

Thank You Dad for never giving up on me, and I promise I will NEVER GIVE UP on Your Plan 'for / in / and through' me for as long as You WILL for me to live.

In Jesus Name,  
from your daughter,  
from someone who strives to be your best friend everyday,  
Amen."

After You DAD, *the roots of Legends in Excellence™ truly began* with my grandmother, **Noyemik Armen** who taught me these very words at the tender age of 5:

*"The mustard seed is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree.*

*If you have faith as small as a mustard seed, nothing will be impossible for you."  
(Matthew 13:31, 13:32, 17:20)*

As I was growing older, I began to realize that I am my Grandmother's mustard seed sown into this world; my Grandmother is God's Mustard Seed planted in me, and each of us are God's Mustard Seeds planted in this world, constantly multiplying in action, on purpose! Grandma, I thank Dad for the "one and only" gift of you in my life and TREASURE YOU WITH ALL MY HEART!!! Thank you for planting in me the most powerful seeds of all – Faith, Love, and Hope!

**Your Loving Grand Daughter, Annie Armen**
